E DATES TO WATCH

SOURCES & HOW TO USE (BACK COVER)

FROM THE DESK

This week the collector kept 20 items from public news feeds, agenda systems and government pages. 9 are in the Houston region, and this edition prints 20 of them, ranked by keyword relevance.

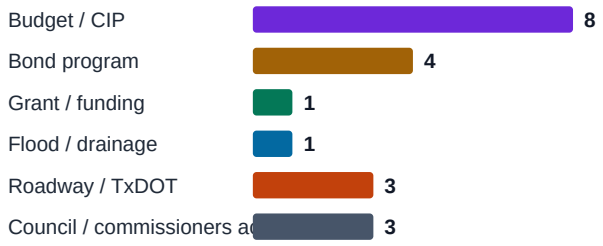

The largest group is Budget / CIP (8 items). 8 mention grants or funding and 2 mention flood or drainage work.

1 dated item appear in Dates to Watch, the first on Oct 13, 2029.

This is the final edition for the week.

Every item is a signal to check against its original source, not a solicitation.

HOW TO USE THIS ISSUE

- Start with the Cover Story and the Houston Region section; items are ranked by keyword relevance.
- Open the original for every item you act on. Headlines and short excerpts are quoted from the source; nothing else is added.
- Use Dates to Watch for meetings, elections and funding windows mentioned in the items.
- Tags, places and next steps are generated by keyword rules and may be wrong.

Signals, not solicitations. Texas Intel Weekly is compiled automatically from public news feeds, agenda systems and government pages. Items are not verified, may be incomplete, and are not invitations to bid. Check each original source before acting.
